Your exhibit space is in the TARHC online conference app. You are responsible for setting up your virtual booth in the virtual trade show and putting any content about your business along with your logo. All of your contact information is in the conference app as well as any handout downloads, promotional offers/raffles/give aways, photos and the booth staff. Attendees will be encouraged to visit your virtual booth during the event and are eligible to win prizes. The TARHC conference app will also include the agenda, links to networking and education sessions. All agenda events and attendee contacts will be recorded so you'll be able to enter the app up to six months later and review the content and follow up with any questions from attendees. All sponsors will also have a rolling logo at the top of the page. That link will go to your website for more information. You will also have complete access to the conference program.
