

Exciting New Opportunity!!

Lillian M. Hudspeth Memorial Hospital Sonora, Texas **Rural Health Clinic Director**

Position:

- The Director of Rural Health Clinic supervises all Sonora Medical Clinic (SMC) functions and staff, interacting and communicating with physicians, support staff and other hospital personnel to create a cohesive environment to provide quality patient care.
- Exciting opportunity to be part of a practice that includes two physician and two mid-level practitioners.
- Director will report to the hospital CEO
- Excellent salary, benefits, and relocation package. Salary commensurate with experience
- Great quality of life

Hospital:

- **The Lillian M. Hudspeth Memorial Hospital (LMH)** is a Government - Hospital District, Medicare Certified Critical Access Hospital with 12 beds.
- Sonora is also home to one of the finest medical treatment facilities in the area. LMH is a Level IV trauma center with a rural health clinic. They provide access to family medicine, DOT and school physicals, immunizations, physical therapy services and 24-hour emergency room coverage.

Requirements:

- Previous RHC/Clinic management experience required
- Master's degree in healthcare preferred

The Community:

Located between central Texas and the Big Bend Region at the crossroads of Interstate 10 and Highway 277, Sonora Texas offers the best of both the Texas Hill Country and West Texas. Rolling hills and limestone outcroppings laced with oak and juniper greet visitors and serve as the perfect backdrop for the world-famous Caverns of Sonora.

Sonora is a close-knit community, a fantastic place to raise a family or retire. Quiet neighborhoods, a fantastic school system and state-of-the-art medical facilities can all be found in Sonora's small-town atmosphere.
